La Seine

(47-0048)

"When the waters of the Seine converge on another, and as you float gently around the Île de la Cité...there's such a timeless and elegant beauty as the sun reflects on the water. That romantic vista tells a story of beauty that is timeless and can only be inspired and interpreted from nature."

- Christopher Guy

Also available in square shape (47-0049) and round shape (47-0050).
